The Honorable
The Secretary of National Defense and Communications
Manila

ATTENTION DIRECTOR OF POSTS

Sir:

I have the honor to requisition the following supplies for distribution to Leyte Postoffices, that have been already re-opened and yet to be re-opened, as most of their supplies and equipments have been either burned or missing:

60 padlocks to lock Postoffices and galvanized iron boxes
35 mail keys (old style)
35 mail keys (new style)
150 mail locks (new or old style)

The above are very badly needed in order to protect the accountability of each postmaster and also safeguard the mails. Presently only the dispatch of ordinary mails is allowed, because dispatches cannot be locked for lack of mail keys and locks.

Very respectfully,

B. CUNANAN

Acting Post-Office Inspector
